

About JSPM

Jayawant Shikshan Prasarak Mandal (JSPM's) was established in 1998 with the objective of creating centers of excellence for education in the field of Engineering, Medical, Pharmacy, Management, Computers etc. This is by the vision of Prof. Dr. T. J. Sawant, an Electrical Engineer who thinks that, "Development of Techno – entrepreneurial society" is the key to achieve VISION 2020 as perceived by our Former PRESIDENT of India Dr. Abdul Kalam. Prof. Sawant is strongly convinced that establishment of excellent technical institutions is the solution to the problem of development of techno-economic society. Driven by a mission of providing an excellent quality education JSPM has left no stone unturned in setting up Educational Institutes at Tathawade, Hadapsar, Wagholi, Bavdhan (Kd), Narhe and Barshi.

About ICOER

Imperial College of Engineering & Research (ICOER) was established in 2006 on a 65-acre campus in the Wagholi suburbs of Eastern Pune with a mission to impart high quality education & training to create & develop technical & business leaders who strive to improve the quality of life. ICOER is accredited by NAAC with "A" grade & decided to go for autonomy soon.

About Civil Engineering Department

We are one of the biggest departments in SPPU Pune. We have 180 intake capacity at UG level. We also have PG in Construction Management (24 Seats) and PG in Structural Engineering (24 Seats). Our department has 12 well equipped and spacious laboratories, including Research Laboratory & Lab as a Museum which is developed in association with Industry for practical knowledge, not only to complete the academic but to have Testing, Consultancy & Research. The GFM activity, Continuous Assessment sheet, Remedial classes, Expert Lecture, CESA etc. is the activities which are performed to full-fledged the personality of student.

About the workshop

Many workshops/conferences/seminars are conducted in various institutes across the Maharashtra and India on different topic which is related to Civil Engineering field, but we are standing alone with subject of Industry Institute Interaction. Well-known expertise will gather on the platform to develop a futuristic good technologist in the flow of development of INDIA. **This is our 3rd consecutive year of IPCE** which leads to find the gap between academic and industry and filling the same. Targeting, not only what exactly industry wants from a Civil Engineering graduates but focusing on thrust area of industry which has to involve in teaching learning process. Expertise will put views on entrepreneurship, site management, design, water etc and many more in front of post graduate, research scholar and teachers.

Workshop is planned Module wise viz. Structural Engineering, Construction Management Surveying, Environmental Engineering, Soil Mechanics and Hydraulics & Water Engineering. Workshop focused on Curriculum Gap & in view on NAAC, NBA & Autonomy.

Resource Persons

Highly experienced persons from Construction Industry and Government Sector will be key resources of the workshop.

Important Dates

- Last date of Registration :
for workshop 24/04/2018

- Last date Paper submission
for conference :18/04/2018

About Conference

Aim & Scope:

This conference provides platform to Researchers, Students & Industry Persons to express their valuable ideas for the futuristic engineering.

- Paper will be published in UGC approved Journal. Journal of Advances and Scholarly Researches in Allied Education (JASRAE) e-ISSN: 2230-7540 Index Number :8109.
- Each Author will get hard copy certificate.
- Conference kit for Author.
- Separate certificate for workshop and conference.
- Soft copy of Proceedings of workshop will be given to participant.
- Best paper will be awarded with Attractive Prize.
- Best attentive Attendee of workshop will be awarded with Attractive Prize.

Guidelines to Author

1. All authors are requested to send soft copy of manuscript (MS-Word format only) in double column format
2. Mail your paper to ipce3.icoer@gmail.com
3. The paper will be reviewed by the experts
4. Only unpublished work will be accepted
5. Time allotted for presentation is maximum 15 minutes and 5 minutes for Q & A
6. Maximum two Authors for one paper, extra author will be added with additional INR.500

Mode of Presentation

1. PPT
2. Poster
