ONE DAY STATE LEVEL SEMINAR

ON

“NEOTERIC ADVANCES IN MICROBIOLOGY”

22nd December 2018

Organized by
DEPARTMENT OF MICROBIOLOGY
Sahyadri Science college
Shivamogga-577203, Karnataka, India
www.sahyadrisciencecollege.org

Dear Sir/Madam :

Department of Microbiology, Sahyadri Science College Shivamogga, invites you for one day state level seminar on "Neoteric Advances In Microbiology" on 22nd December 2018.

ABOUT THE COLLEGE

Sahyadri Science College is one of the esteemed educational institute in Southern Karnataka region. Established in the year 1940 as an intermediate college by the erstwhile Mysore Government during the rule of His Highness King Jayachamarajendra Wodeyar of Mysore.

The college was started inside the city and later shifted to its present location on the outskirts of city in 1948. Today the building has a solid stone structure with an imposing view. The college was upgraded to the First Grade College level in the year 1956. Influenced by the scenic landscape couched in the Sahyadri hills, Dr. K.V. Puttappa (Kuvempu) the second recipient of Jnana Peetha award and then Vice Chancellor of Mysore University urged the Government to rename the College as Sahyadri College. It was in 1962, ever since its establishment the college has seen a steady growth in strength as well as in quality.

ABOUT THE DEPARTMENT

The Department of Microbiology was established in the year 1996 with the following objectives

- * To know the Distribution and significance of microorganisms in and around us.
- * Educate the Students towards, basic and applied aspects of microorganisms.
- * To inculcate the research activities in students by assigning project works.
- * Role and Applications of Microorganisms in Industrial, Agricultural and Medical fields.
- * To create awareness about Microorganisms in Society by conducting Community outreach programmes, Exhibitions, Seminars, Workshops and Symposia.
- * Initiate the students to opt the Subject for higher studies

The Department currently offers B.Sc. (Courses viz. C.Z.M, CBM), M.Phil. and Ph.D. programmes in Industrial, Medical, Environmental and other applied areas of Microbiology. Department was funded with Major and Minor Research projects by UGC.

ABOUT THE PROGRAMME

The seminar will focus on various aspects of microbial infectious disease with the objectives to promote interdisciplinary higher education and research in the fields of Medical, environmental and Basic sciences. The purpose of this one day seminar is to familiarize the students on current trends and the latest developments in the field of Microbiology.

MAJOR THEMES

The programme includes invited lectures from eminent Professors and Scientists in the field of Microbiology, Immunology and allied areas.

- * Herbal medicine
- * Bioinformatics
- * Immunology
- * Molecular biology
- * Agriculture Microbiology
- * Environmental Microbiology
- * Diagnostic Microbiology

REGISTRATION

The registration fee for the state level seminar is applicable to all the participants and the same should be sending to the following Account holder

Name : Chairman, Department of Microbiology.
Bank : Syndicate Bank, Vidyanagar Branch.
Account Number : 1917201001381
IFSC Code : SYN0001917

REGISTRATION FEE

* Faculty : Rs.300/-
* Research Scholars : Rs.200/-
* Students : Rs.150/-
