## About the Conference :-

The present National conference is an effort to draw attention at the need of interdisciplinary studies. Interdisciplinary programs are drawn from two or more academic disciplines that work together to create a powerful learning experience and emphasize integrative learning, critical thinking, and creative problem solving.

### Through interdisciplinary studies, students:

- Discover the value of integrating the study of various academic disciplines suited to their life-long interests.
- Learn creative solutions to some of today's most challenging problems.
- Become interdisciplinary thinkers who analytically and creatively embraces new ideas.
- Develop collaboration skills while working with others who have different perspectives.

- Are prepared for graduate and professional study, and for careers in new and emerging fields.

The conference will provide a platform to discuss benefits and challenges of the interdisciplinary studies in India. It will also provide a base for the future of interdisciplinary studies.

The efforts have also been made to recognize the outstanding work that has been done at the Individual and Institutional level in higher education. A jury consisted of senior professionals from education have short-listed the names of individuals and the institutions for receiving the 'Excellence Award'. The award is an appreciation to the recipients for their work. The decision of jury in this regard is final and cannot be challenged for any reason whatsoever. ?

## Why to attend:-

1. Gather an immense amount of knowledge from academicians of repute. Also a great opportunity to interact and network with them.
2. A great learning on the topic especially useful for faculty who would like to pursue research in interdisciplinary areas. However, the conference is not limited to the subject, Research papers relating to recent trends in Engineering, Management, Science, Commerce, Education and Humanities will also be presented in the conference.
3. Network with other Institution attendees to gain a better understanding on the subjects like how to brand image of the institution, how to increase institution enrolments, your options among others.
4. Join panel discussions - Engage with your peers and exchange ideas on best practice and how to improve education with the power of technology.
5. Participation certificate to all attendees and Excellence awards to noteworthy Institutions and individuals for their academic contribution by senior academic leader.
6. Publication of Research paper in UGC indexed Journal.
